FLAG OFFICERS

Richard Countess Commodore

We started off with events at PBYC last month on May 6th with Will Sofrin's presentation about his adventure delivering the Tall Ship ROSE more than 6,000 miles from Newport, Rhode Island to San Diego, California with an inexperienced crew in 2002. ROSE was featured in the movie *Master and Commander: the Far Side of the World*. Many of us in attendance purchased signed copies of Will's book titled "All Hands on Deck."

The first race of PBYC's Island Series, the Hardway Race, was held on May 13; see my race column for details. Cruise Chair Andy and crew completed a three day trip to Santa Barbara harbor on May 19 through 21. The Sierra Highway Band returned to play at the club on Sunday May 21st in conjunction with an Open House. Andy Fried hosted the dinner at our monthly General Meeting on May 27th. Dinner consisted of baked chicken thighs, rice and roasted vegetables followed by a middle-eastern dessert. Everyone at the club were having such a good time socializing that we decided to skip the video we had planned to watch on Santa Cruz Island. Graham Dawson regaled us with stories of crew member John Pyle getting washed overboard during a Hardway Race several years ago and how Graham's rental properties and second home in New Zealand were badly damaged in a recent cyclone. I have asked Graham, a retired Caltrans engineer, to come up with a plan to refurbish our flag pole.

Jay Dupuy was awarded the Golden Anchor trophy at the May General Meeting for diving to remove a line fouled around the prop of the sailboat of one of the participants in the Hardway Race, and then donating the \$150 from the skipper of said boat to the club. The Fouled Prop trophy was awarded by unanimous vote to the skipper with the fouled prop.

John Pyle's name was drawn from the Blue Ball of Happiness but was not awarded since he had left the club 30 minutes prior to the drawing. The drawing at the June General

Meeting will be for \$100. You must be present to win.

June starts off with Bill Gibbs' Wine Sunday on June 4th. We have scheduled a Progressive Dinner for June 24th as part of our monthly General Meeting. For details about this event, see Amrit's Rear Commodore column for details. Vickie Brewer plans to open the club on Fridays for a Bingo night some time during June. Details will be provided via a flyer next week. We need a volunteer to host the dinner for the monthly General Meeting in July.

The Ventura Harbor Port District is holding a public meeting on June 7, 2023 at 7:00 PM to consider a planned expansion and redevelopment project in the harbor. Several club members have expressed serious concerns about the reduction in the size of the main fairway and the available space to raise and lower mainsails within the harbor. It would be valuable to have a significant number of club members attend this public meeting at the Port District's offices located at [1603 Anchors Way Drive](#).

June is here and the gloom is too. Hell, the gloom came early this year so maybe we are in for a clear July. How many of you remember when the harbor used to host the annual Fiesta Del Sol in June? We jokingly called it the “Fiasco Del Fog”! It was a fun event in our little harbor with wind surfing, scuba diving and bikini competitions. I wish they would bring it back. I participated in the “Aquaman” competition in 1983 as the youngest entrant and was nicknamed “Aqua Andy” by my friends. Ha!

Fog or no fog our little club is plugging along. The Hard Way race was a success for the club and a special mention needs to be made for one of our new members Jay Dupuy for his “Sea Hunt” actions to help a racer with a fouled prop. Good on ya Jay and your dive tender Deb!

I participated in the race and had a great time chasing wind lines over pods of dolphins and around container ships and islands. Good stuff!

A discussion has begun regarding various plans for the maintenance of our signal mast. We are chewing on a few strategies and welcome input from YOU.

This month I have been busy surveying various watercraft both large and small along with running Bankers Investment Counseling (stocksANDYachts). Just this last week my responsibilities carried me from a salvage site at Chinese Harbor to the debt ceiling/AI shaken stock market and my PBYC Vice Commodore duties, never a dull moment!

This month should be awesome at PBYC thanks to all of your Corinthian charisma. Let's keep making this the BIGGEST little YACHT CLUB in Ventura Harbor-go away fog!

June is here and we have some new events coming up! Coming up this Sunday June 4th, 2023 we have Bill Gibb's Wine Sunday from 2-5pm. Stop by and bring an appetizer to share. :)

After a Three Year hiatus we are bringing back a favorite event:

On Saturday June 24th, 2023 PBYC will be hosting a Progressive Dinner whereby members and guests can go boat to boat, have fun and enjoy appetizers, entrees and dessert! Two boats host the appetizers, two boats host the entrees and the final boats the dessert. The cost of the food would be reimbursed by the club. We will set up tables on the dock, use the beer and wine from the club, buffet style on the walkway next to each boat. We will charge participants \$25 per head to cover the cost of food and drink. Participants will receive one playing card at random at each boat and the person with the best poker hand wins a PRIZE! Following the event we will hold an abbreviated General Meeting.

The following club members have volunteered to host one of the courses:

Jeff Olmstead and Countess's for appetizers, Andy Fried for an entree, Maura O'Connor for either an entree or dessert.

Please let me or Tina know if you would like to participate in this fun event!

Contact Tina directly if you have any questions. 805.479.1899

Race Commentary by Richard Countess Race Chair

HARDWAY RACE

The 43rd annual Hardway race co-sponsored with the Santa Barbara Sailing Club was held on May 13th. This race is the first race in PBYC's Island Series and starts in Santa Barbara and finishes in Ventura. The other two races in the series are the Milt Ingram Trophy race on July 22nd and the Tri-point Ocean race on August 12th. This year with a forecast of light winds, no skippers decided to sail the 67 nm course around Santa Cruz Island. Instead all 12 competitors decided to sail the 47 nm course around Anacapa Island. I am sure that the skippers were glad that they had made that decision since Bill Gibbs' multihull WAHOO, the first boat to finish, didn't finish until 8:06 PM. WAHOO had an elapsed time of 8 hours and 51.3 minutes. Finishing just 27 seconds behind WAHOO was Dave Chase's Fast 42 UHAMBO in the Spinnaker A fleet. The next two boats to finish were Steve McMillan's J-99 MERLIN finishing at 10:41 PM and Dwight Rowe's Olson 40 BUENA VISTA finishing at 10:42 PM. UHAMBO and BUENA VISTA corrected out to first and second place in the Spinnaker A fleet. The last boat to finish this slow race at 51 minutes past midnight was Gary Swenson's Peterson 34 TONKA. MERLIN and TONKA corrected out to first and second place in the Spinnaker B fleet. None of the Spinnaker C boats finished the race.

I would like to thank the following club members for helping me finish boats: Vickie, Candy and Alex on the 6 PM to 8 PM shift; Jeff Olmstead, Jay and Debi Dupuy on the 8 PM to 10 PM shift; and Richard Haller and friend Steve on the 10 PM to midnight shift. I was surprised when I got to the finish line to relieve the finishing crew at 10 PM to find that Jay and Debi had their motor home at the finish line. The Dupuys were having such a great

time that they decided to stay with us on the finish line until midnight when we returned to the club to await any remaining boats to finish and take their own finish time. I would like to thank Amrit and Janice for preparing hot food for the post-race festivities for racers arriving at the club between 9 PM Saturday evening and 2 AM Sunday morning as well as for Taylor and Alex for bar tending. Trophies for this race and the other two races in the Island Series will be presented on Sunday August 13th.

ISLAND SERIES

This past weekend with help from Jeff Heath and Andy Killion, we put up the banners for the following sponsors of PBYC's Island Series: Andria's Seafood Restaurant, Bankers Investment Counseling, Beacon Marine, Castro Canvas Designs, Custom Embroidery, Derecktor Ventura, Pettit Marine Paints, Seahawk Paints, ShipShine, Ullman Sails Ventura, and Ventura Harbor Boatyard.

ALL GIRLS ON DECK

“ALL GIRLS ON DECK” THE 2023 SAILING SEASON!

Yes, Sea Gals will be out on the Catalina 37s again this year. July 30 and August 27! Sea Gals is the Long Beach Sailing Foundation's Women's Sailing Program. We are open to the public and all women (18+ years of age) interested in sailing on the Catalina 37s are invited to participate. There is no membership fee and no prior sailing experience necessary to participate. The Catalina 37 boats are not equipped for the physically challenged/handicapped, but women with hearing and visual impairments are invited to participate. This season, we will have a minimum of 2 boats going out during each event. We always have room for beginners and women who enjoy recreational daysails.

"ON THE WATER" SAILING EVENTS FOR BEGINNERS & INTERMEDIATES

Sea Gals events are non-competitive sailing events designed to introduce women to sailing as well as build confidence, increase knowledge, and sharpen your sailing skills in a safe and fun environment. Debrief and network at the post event dock party.

2023 On the Water Events at Long Beach Yacht Club with Dock Party after Sail!

MAY MEETING AND DINNER

The May meeting and dinner were held Saturday, May 27, at the clubhouse. The dinner, prepared by Andy Fried, was Chicken with grapes and ajvar, mixed baked veggies, and rice. Dessert was kunafa (see photos) . After dinner was the monthly membership meeting led by Commodore Richard Countess. Highlights of the meeting included notices of upcoming cruises, events, and races. See below for Golden Anchor, Fouled Prop, and Blue Ball of Happiness.

Photos from the box of kunafa. We didn't levitate it from the middle of the pan as they show here.

GOLDEN ANCHOR & FOULED PROP

The Golden Anchor was awarded to Joe Dupuy for clearing the fouled prop of Hardway racer Steve McMillan's J-99 *Merlin* early on Sunday morning after the race, and then donating the \$150 that Steve insisted on giving him to the club. Other worthy nominees for the award were Alex Verharen and Jeff Heath for installing and setting up the new cable TV box and remote control at the club, and Andy Fried for the delicious dinner at the meeting.

In a departure from tradition, the Fouled Prop award went to a non-PBYC member, Steve McMillan, for actually having a fouled prop!

The winners were not present, so we don't have photos.

BLUE BALL OF HAPPINESS

The Blue Ball of Happiness drawing was for \$75. New member John Pyle's name was selected from the ball. He had been at the dinner but left before the meeting, so no prize was awarded. Next month the award is **\$100**. Must be present to win.

MAMMOTH YACHT CLUB

From our Mammoth correspondent Patti Mailman

On Saturday May 27th I attended the Second Annual Cardboard Boat Races sponsored by the "Mammoth Yacht Club" (a marketing arm of Mammoth Mountain - not an actual yacht club). All boats had to be made from only cardboard and tape. The boats started at the top of the hill and slid down the snow and up a hill to stop them. The rubber mats and netting failed to stop some boats while other boats failed to launch completely and had to be pulled over the finish line. There were some scary moments but we were told that no participants were injured. It was a beautiful sunny day and many people dressed up in costume, such as my Viking neighbors. We should plan a club trip next year with a theme. I was thinking we could dress up like the crew of Gilligan's Island and if anyone is brave enough to enter the race our boat would be called the Minnow!

Mammoth Yacht Club is selling lots of merchandise. But a t-shirt is \$35 and a light hoodie is \$70. A bit too much for a gag gift but I will look for it to go on sale after the holidays.

CRUISE REVIEWS

Santa Barbara city

We had only one boat on this trip, crewed by Andy, Patti, and Tani. We departed Ventura around 11 AM with overcast skies and little wind. We motored up hoping for wind that never came. There was little marine life seen on the trip with the exception of a lot of “by the wind sailors” (Velella) seen near the oil platforms.

When we arrived in Santa Barbara we were able to get a slip for Friday and Saturday nights. We took a Lift into town for dinner on Friday night and shopped along State St. Sat AM we looked at the fish market on the pier, the farmers market on Coto St. and then we returned to State Street for lunch, some Turkish delight at Lokum, then went for gelato, and to shop for olive oil and balsamic vinegar.

We barbecued the veggies from the market along with some kabobs we had brought from home and enjoyed some Margaritas on the boat for dinner.

On both nights there were grunion runs but we didn't manage to stay up late enough to see them.

Sunday we sailed back in light winds and motoring a bit. We arrived back in time to go to the club and enjoy the open house.

CALIFORNIA BOATER CARD
DON'T LEAVE SHORE WITHOUT IT

It's time to get your California Boater Card!

All operators of motorized boats will soon be required to carry this card while on state

waters. (That includes your sailboat while operating under power.) Good news! You don't have to leave home to get it! Many organizations offer online courses that qualify you for a card. The California Department of Boating and Waterways maintains [a list of safe boating courses](#) approved by the National Association of State Boating Law Administrators and the state. Some of them are even free!!! How easy can it get? It's way better and easier than going to the DMV for your driver's license. Click the link below for more information.

The card is proof of successful completion of an approved safe boating course. The **one-time fee** for the card is \$10.

As of **January 1, 2023**, all operators of a motorized vessel on California waterways who are **50** years of age and younger are required to carry a lifetime California Boater Card. Each year after that the age limit increases by 5 years. **All boaters will be required to carry the card by 2025.** Shake out a reef and get yours now before the rush. Less than two years left!

For more information about the California Boater Card law, visit the [California Boater Card website](#).

This is to certify that:
JEFF OLMSTEAD

successfully completed an approved California boater safety examination approved by the State of California. This TEMPORARY certificate is valid for **90 days** from the date of issue. This certificate must be in your possession when operating a motorized vessel on California waterways.

Boater ID Number B505177553

SCUTTLEBUTT

Last year we somehow received an email from the secretary of "PBYC" concerning a bit of business that didn't sound like anything we were doing. Upon closer inspection, the email turned out to be from another PBYC - Port Bouvard Yacht Club in Western Australia. I had some entertaining email exchanges with their secretary, Kathleen McCauley. We ended up

exchanging burgees and reciprocals through the mail. Below you will see her latest letter, a photo of the burgee she sent, and two tiny photos of their clubhouse and dock. They will be posted at the club by the time you read this. So if you ever end up on the west coast of Australia just south of Perth, stop in and say hello to the "other" PBYC - the place to be!

MEMBER RESUME

Coming Soon! -Webmaster

Did you know that there
is an online form to
submit your PBYC
Member Resume?

Let everyone know
about your life, work &
boating experience!

It's an added benefit of
belonging to our
little yacht club!

THESE ARE THE QUESTIONS:

1. Where are you originally from, and how did you come to live or keep your boat in the Ventura/Channel Islands area?
2. What do or did you do for a living?
3. Is this a service or experience that would be useful to other club members?
4. What are your main boating interests, training, or experience?
5. Tell us a little about yourself and your immediate family.
