Richard Countess Commodore

Boy, the time goes fast when you're my age (or is it when you are having fun). We are already half way through 2023. While it has been my honor to serve as your Commodore for 2023, I am looking forward to becoming PBYC's Junior Staff Commodore on January 1, 2024.

I felt like I was planning for the D-Day invasion rather than planning our progressive dinner on June 24th since we haven't held this event in three years due to the pandemic. But with the enthusiastic support from many of you we had a very successful turnout of 20 members and guests. We started off the evening at 6 PM with appetizers provided by Jeff Olmstead and by the Countesses on J-dock, followed by an Indian themed entree course provided by Andy Fried and Patti on I-dock, a Mexican themed entree course on F-dock provided by Candy Girdlestone and Lisa Hopper, and finally a dessert course provided by Maura O'Connor.

The original intent was to have the dessert course on K-dock where the Clark/O'Connor's boat is located, but since we were all comfortable hanging out on the party dock that is part of F-dock, we decided to stay on F-dock and enjoy Maura's home baked desserts there. Each participant received a playing card at each food station and the individuals with the best and second best poker hands received a prize. Janice, with three of a kind, won \$50 in Blue Bucks (i.e., credit against a future purchase at PBYC), and Maura, with two pairs, received \$25 in Blue Bucks.

The July General Meeting is scheduled for July 15th with Andy Killion volunteering to be your host for the dinner and Vickie Brewer hosting a BINGO tournament. The following day on Sunday July 16 we will have another Open House with music provided by the Sierra Highway Band. If you haven't attended one of these events, you have missed out on some

great music.

The Milt Ingram Trophy race is scheduled for July 22nd. Even if you are not racing or assisting the race committee, you are all welcome to join us at PBYC for the post-race festivities. We will have Island Series T-shirts available to purchase.

Andy Fried has planned a day sail to Platform Gina followed by a BBQ at the club on July 23rd.

Weather: not too shabby

On the eve of our Republic's 247th natal day we find ourselves halfway through PBYC's calendar year. Much has passed beneath our keel year to date and our velocity made good "VMG" looks respectable. Velocity made good is what all the participants in this year's 52nd TRANSPAC are trying to optimize. I have one client, one childhood friend, and my college alma mater out there right now on three different vessels watching their telltales as they point their bows towards Diamond Head some 1000+ miles beyond the setting sun.

The entry fee for the TRANSPAC is \$250 which seems cheap when you compare it to the \$8000 for the privilege of attempting to summit Everest. The main differences as I see them are that instead of freezing your butt off while starving for oxygen you get to end up in paradise with 5-12 of your sailing buddies having developed a good sun burn along with some great sailing stories you can share with all your shoreside peeps. It's a big race that many have successfully participated in dozens of times and its on my bucket list too. I am waiting for a foil boat which can provide 450-mile noon to noon's while accommodating a well-stocked bar and BBQ, fingers crossed for 2025!

As a marine surveyor I have inspected a few TRANSPAC entries and have recommended to prospective cruisers that they print the TRANSPAC checklist to see just how prepared their boat is for the 2000+ mile voyage. <https://transpacyc.com/assets/documents/2019/TP50-Inspection-Checklist-2019.pdf>

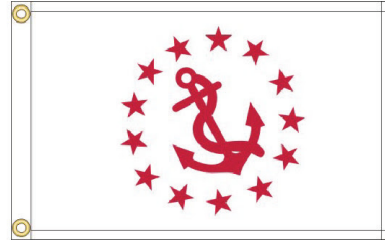

On a housekeeping note I would like all OD's to reach out to their bar tender/hosts to remind them of their bar dates. It seems some of you aren't reading the FORE 'N' AFT and are not aware of your volunteer duties. Of course, this is just another silent tree falling in the forest...

Lastly I want to thank all of you for making PBYC the BIGGEST little yacht club. As an all-volunteer club its up to YOU and so far this year I think we are all doing an awesome job!

MILT INGRAM TROPHY RACE

The 39th annual Milt Ingram Trophy race is scheduled for July 22nd with the first start scheduled for 11 AM. This race starts at the Mandalay buoy, proceeds to Platform Grace and then Anacapa Island leaving them both to port, and finishes in Ventura harbor for a total distance of 42 nautical miles. All skippers register for the race electronically via Regatta Network at the following link: <https://www.regattanetwork.com/event/26405>. Entries close at 1700 on Friday, July 21st. Vickie Brewer has graciously volunteered her 28 foot power boat LAST DANCE to be the safety boat for the beach cats. I am looking for volunteers to help on the race committee boat, volunteers to finish boats, and a volunteer to prepare food for the post-race festivities.

Trophies will be awarded after the Tri-Point Ocean race in August. In addition to trophies for each class, there is an Endurance award for the boat that sails across the finish line last as well as the following eight perpetual trophies:

- The **MILT INGRAM TROPHY RACE** trophy for the boat with the lowest corrected time among all monohull boats with valid PHRF certificates.
- The **COMMODORE's** trophy for the PHRF monohull boat that is first to finish.
- The **WOMAN SKIPPER** trophy for the PHRF boat with the lowest corrected time among all boats that are skippered by women.
- The **CRAIG ASHBY MEMORIAL** trophy for the offshore multihull class boat that is first to finish.
- The **MATES** trophy for the boat with the lowest corrected time among all monohull boats sailed double-handed in any class.

- The **A-CLASS** trophy for the boat with the lowest corrected time in the PHRF A Class.
- The **TOM SPURGIN MEMORIAL** trophy for the non-spinnaker boat with the lowest corrected time.
- The **CATAMARAN CLASS** trophy for the Beach Cat with the lowest corrected time.

The Milt Ingram Trophy race is part of the Island Series. A limited number of T-shirts for the Island Series will be available for purchase (\$20 for short sleeve; \$25 for long sleeve). Please contact Susan at 805-341-5448 if you would like to order a T-shirt.

ALL GIRLS ON DECK

**“ALL GIRLS ON DECK”
THE 2023 SAILING SEASON!**

Yes, Sea Gals will be out on the Catalina 37s again this year. July 30 and August 27! Sea Gals is the Long Beach Sailing Foundation's Women's Sailing Program. We are open to the public and all women (18+ years of age) interested in sailing on the Catalina 37s are invited to participate. There is no membership fee and no prior sailing experience necessary to participate. The Catalina 37 boats are not equipped for the physically challenged/handicapped, but women with hearing and visual impairments are invited to participate. This season, we will have a minimum of 2 boats going out during each event. We always have room for beginners and women who enjoy recreational daysails.

"ON THE WATER" SAILING EVENTS FOR BEGINNERS & INTERMEDIATES

Sea Gals events are non-competitive sailing events designed to introduce women to sailing as well as build confidence, increase knowledge, and sharpen your sailing skills in a safe and fun environment. Debrief and network at the post event dock party.

2023 On the Water Events at Long Beach Yacht Club with Dock Party after Sail!

Event 1 – Sun, July 30 12:00 pm – 4:00 pm

Event 2 - Sun, Aug 27 12:00 pm – 4:00 pm

BINGO NIGHT AT PBYC

The inaugural Bingo night at PBYC happened on Saturday, July 1. Richard and Su Countess were the bar hosts while Vicki Brewer and Candy Lorensen hosted Bingo. Jeff Olmstead stopped by for a few rounds. Of Bingo, that is. This was a test run so no prizes were awarded. There were a few problems with the two-part plastic number balls coming

apart, so Vicki has ordered wooden ones. A Bingo tournament for all hands is scheduled after the July 15th club dinner.

CALIFORNIA BOATER CARD

DON'T LEAVE SHORE WITHOUT IT

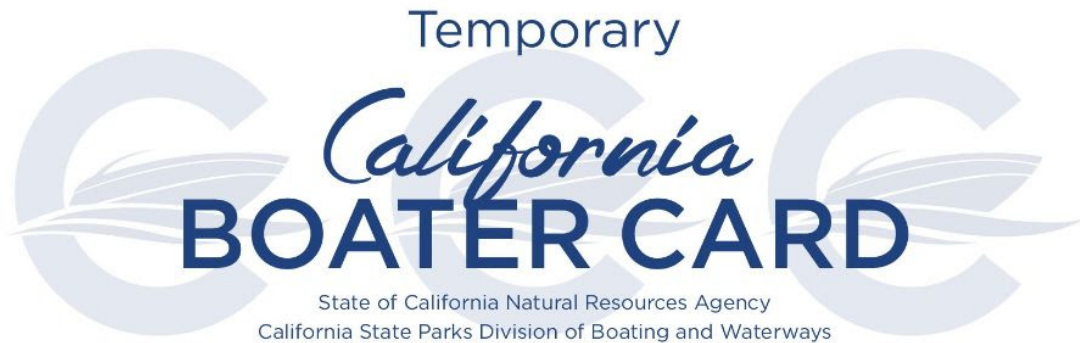

It's time to get your California Boater Card!

All operators of motorized boats will soon be required to carry this card while on state waters. (That includes your sailboat while operating under power.) Good news! You don't have to leave home to get it! Many organizations offer online courses that qualify you for a card. The California Department of Boating and Waterways maintains [a list of safe boating courses](#) approved by the National Association of State Boating Law Administrators and the state. Some of them are even free!!! How easy can it get? It's way better and easier than going to the DMV for your driver's license. Click the link below for more information.

The card is proof of successful completion of an approved safe boating course. The **one-time fee** for the card is \$10.

As of **January 1, 2023**, all operators of a motorized vessel on California waterways who are **50** years of age and younger are required to carry a lifetime California Boater Card. Each year after that the age limit increases by 5 years. **All boaters will be required to carry the card by 2025.** Shake out a reef and get yours now before the rush. Less than two years left!

For more information about the California Boater Card law, visit the [California Boater Card website](#).

This is to certify that:
JEFF OLMSTEAD

successfully completed an approved California boater safety examination approved by the State of California. This TEMPORARY certificate is valid for **90 days** from the date of issue. This certificate must be in your possession when operating a motorized vessel on California waterways.

Boater ID Number B505177553
Date of issue 4/26/2022
Date of birth 5/25/1954

SCUTTLEBUTT

Vickie Brewer caught a rainbow trout!

Jeff Olmstead spent the week of June 26-30 at seacamp aboard the youth sail training brigantine *Irving Johnson* out of San Pedro. The ship anchored at White's Cove and Two Harbors at Catalina Island, at Santa Barbara Island, and near Island White in Long Beach Harbor. Activities for the kids included sail handling, steering practice, and climbing the rigging aboard the ship, swimming, kayaking, and snorkeling from the ship, and beach outings at Two Harbors. Unfortunately, the landing at Santa Barbara Island was unsafe, so we didn't get ashore there. The kids also entertained themselves with rousing games of Uno, D&D, and Sardines, and made necklaces and Lego figures aboard the ship.

The Los Angeles Maritime Institute www.lamitopsail.org has one and two week summer seacamps for kids aboard its tall ships *Irving* and *Exy Johnson*, and year round daysails for kids and the public out of San Pedro, CA.

Top and center: the crew furling the course (the largest square sail).

Bottom: Some of the kids and Captain Carolyn, to say nothing of the dog (Katie), on the beach at Two Harbors. *Irving Johnson* way in the background.
