I want to thank Maggie Hood for jumping in at the last minute to organize the dinner for our July General Meeting. The dinner was followed by a Bingo tournament organized by Vickie Brewer. This was the first time that I played Bingo and I really enjoyed the camaraderie. I am sorry if you missed it.

There were a large number of guests attending the Open House on July 16th. The club house was packed and several guests expressed serious interest in membership. We plan to continue hosting Open Houses and book the Sierra Highway band to perform at these events for the rest of the year.

The Milt Ingram Trophy Race on July 22nd was very successful; we had 22 participants (see my race column). The next race in the Island Series, the Tri-Point Ocean Race, is scheduled for August 12th. We are expecting several beach cat skippers from Arizona to join us. Even if you are not racing or assisting the race committee, you are welcome to join us for the post-race festivities at the club.

The Island Series trophy presentation and breakfast is scheduled for Sunday August 13th. We need volunteers to sell Island Series T-shirts as well as volunteers to sell raffle tickets for the prizes donated by our generous sponsors.

The August General Meeting is scheduled for August 26th with Janice Ashland volunteering to be your host for the dinner. Please RSVP for the dinner by contacting Susan at rcountess@aol.com. Candy Girdlestone and Alex Verharen are finalizing plans for the program for the August General Meeting. They will contact you once they have a confirmed speaker.

Ventura CA

Weather: pretty, pretty, pretty good

Ahoy fellow Pierpont Bay Yacht Clubbers!

My dad moved my sisters and I to Ventura from Santa Barbara in 1978 and within two years he moved all of us onto a 30' sailboat(Clipper Marine 30, tiny boat!) in the newly built

Ventura West Marina where we quickly became part of the original “D dock derelict” crew. The D dock derelict crew became surrogate parents to me and my sisters as our dad worked two jobs and merely slept on the boat between shifts. At that time the harbor was a terrific community for a young man to grow up, learn to sail, surf and scuba dive. I loved it. I don’t recall the year but I do have a vivid memory of scanning across the harbor to see PBYC shining bright with flags and banners flying. It must have been during the Island Series thus all the flags etc. It was impressive.

Years later when Tina and I first joined PBYC we experienced a warm openness and “clique free” ambience which we still cherish to this day. True, many of us are very busy and find the demands of our all-volunteer club challenging but when we step back and contemplate the wonderful people here and the reason we like to gather down at the water’s edge in our cozy clubhouse I believe it is worth all the efforts we muster.

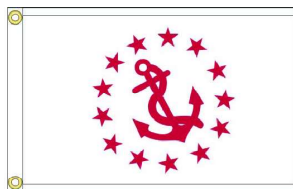

As we sail through this wonderful 2023 summer let us all embrace what makes PBYC so special and endeavor in our unique ways to project our shared interest in all things boating to our beautiful harbor community. With any luck this simple act will attract others from the fleet to join us. Who knows, there may be a kid sitting in a little boat, looking curiously from across the channel wondering what we do here. Imagine what we could share with this little floating community. The possibilities are exciting

On a housekeeping note I would like all OD’s to reach out to their bar tender/hosts to remind them of their bar dates. A simple text, email or call will suffice. That is all.

July was another eventful month at PBYC with an amazing Open House on July 16th with a Full House there to Enjoy the Live Music by Sierra Highway Band! The weather was Gorgeous and lots of food was enjoyed. The club was filled with music, laughter, smiling faces, and happy members and guests. Taylor and I were on Bar Duty and we were busier then ever filling glassing with beer and the Club's Signature MaiTai Cocktail. Bill Gibbs gifted me an amazing bottle of wine with my name on it from a new winery in Paso Robles named Amrit ☺

Thank you again to everyone who made appetizers, desserts, Jim for the Mai Tai mix, Bill for the thoughtful gift and of course the Sierra Highway Band for playing fantastic music. We are looking forward to many more events to come! Stay tuned ☺

Race Commentary by Richard Countess Race Chair

MILT INGRAM TROPHY RACE

The 39th annual Milt Ingram Trophy race was held on July 22nd. Unfortunately the engine on our race committee boat SYMPHONY wouldn't start due to a dead starter battery and dead house batteries and I had to enlist help from Andy Fried. After transferring the crew and race equipment from SYMPHONY to Andy's Catalina 37.5 SWEET, we left the dock and skedaddled to the start line and got the first start off only 20 minutes late.

This race would normally have started at the Mandalay buoy, proceeded to Platform Grace and then Anacapa Island leaving them both to port, and then finished in Ventura harbor for a total distance of 42 nautical miles. However, with the weather forecast predicting light winds in the channel and almost non-existent wind behind Anacapa Island, I shortened the course to 20.6 nm by eliminating Anacapa Island. Vickie Brewer and Candy Lorensen provided their 28 foot power boat LAST DANCE as the safety boat for the beach cats. Vickie decided to finish the beach cats at oil platform Grace in the dying winds.

The first boat to finish was Dave Chase's Fast 42 UHAMBO with an elapsed time of 3 hours and 45.8 minutes for the 20.6 nm race. UHAMBO finished 40 minutes ahead of the next boat. UHAMBO scored a "Trifecta" with the first to finish perpetual trophy, the Spinnaker A Class perpetual trophy, and the Milt Ingram perpetual trophy for the boat with the lowest corrected time among all monohull boats. The first place winners in the other classes were Gary Swenson's Petersen 34 TONKA in the Spinnaker B class, Deke Klatt's J-24 JADED in the Spinnaker C class, Bill Gibbs' Scionning 47 catamaran WAHOO in the ORCA class, and Ricky Vazquez's Hobie 20 MM in the beach cat class. The last boat to finish was Randy Dickenson's C&C 41 MAHALO with an elapsed time of 7 hours and 27.1 minutes. The full race results are posted on PBYC's web site.

I would like to thank the following club members for their help with this race: Jeff Heath, Andy Fried, and John Pyle on the race committee boat; Vickie, Candy and Alex Verharen on the beach cat safety boat; Andy Fried, John Pyle, Richard Haller and friend Steve for finishing boats; Kappy Paulson for preparing food for the post-race festivities; Jim Girdlestone for prepared pre-mixed pitchers of Mai Tais for the bar; and Jeff Heath for bar tending. I would also like to thank Mike Hopper, Andy Killion and Graham Dawson who raced and then offered to help me finish boats because of being short-handed.

Tri-Point Ocean Race

The 43rd annual Tri-Point Ocean race is scheduled for August 12th. This race is the final race in PBYC's Island Series. The course for this race starts at the Mandalay buoy, and then rounds both platform Gina and Anacapa Island to starboard for a handicap distance of 34 nm. Trophies for all three races in the Island Series plus trophies for the Series will be awarded on Sunday August 13th following a breakfast that starts at 10 AM and costs \$10. We will hold a raffle and silent auction during the breakfast and trophy award presentation. A limited number of T-shirts for the Island Series will be available for purchase (\$20 for short sleeve; \$25 for long sleeve). Please contact Susan at 805-341-5448 if you would like to order a T-shirt. I am looking for volunteers to help on the race committee boat as well volunteers to finish boats. We also need a volunteer to prepare food for the post-race festivities on Saturday August 12th, volunteers to prepare a continental breakfast on Sunday morning,

8/4/23, 10:26 AM

and volunteers to sell T-shirts and raffle tickets on Saturday evening and Sunday morning. If you would like to assist, please contact me at 805-444-0223.

CRUISE NEWS - ENSANADA

On the morning of June 29 at 5:45 AM we headed out of Ventura Harbor bound for Avalon. This was the start of a cruise with WSA of Santa Monica. The weeks leading up to this day had been busy with trying to get paperwork together for bringing the boat into Mexico for the first time. All boats over 30' require a TIP

(Temporary Import Permit). Bill of Sale, Documentation, and Mexican Insurance. The biggest problem was the TIP. In theory you can do this on line, but myself and others had problems. My boat is held in a trust, and there was no way to do this on line. We opted to take our chances and try to get our TIP after arrival in Mexico. If we failed then we would be kicked out of the country after a couple of days of our arrival. We spoke with the Marina office in Ensenada and they agreed to help us. Prior to that we furnished them with copies of all required documents, crew list, and copies of passports for all crewmembers. So now we were off on our great adventure.

Patti had been uncomfortable with the idea of doing the trip with just the two of us on the boat. But just prior to our departure one of the other captains lost a crew member and agreed to sail with us. We would rendezvous in Avalon.

So with jacklines set, we were on our way. We arrived in Avalon at 7 PM and managed to pick up a mooring for one night, with the hope we could secure it for another day in the morning. The afternoon of June 30th other two boats arrived and secured moorings. We had some shore time in Avalon before starting our next crossing on July 1st. This was the longest crossing, we left around 9 AM and arrived 23 hours later in Ensenada. Taking turns on watch we made in thru the night and arrived tired the following morning. Sunday was spent resting and walking into town for fish tacos.

El lunes se dedicó a poner en orden el papeleo, TIP, sellos de entrada y salida en los pasaportes. Luego a por más tacos de pescado. Martes, 4 de julio, realizamos un tour de cata de vinos en el Valle de Guadalupe.

Wed, July 5, we waited for the tide to come up before we departed for San Diego. We arrived to San Diego in the dark and went to the transient docks where we had reservations. We used the CPB roam app to check in, followed by

a Zoom interview. We spent the next day visiting marine stores in the Point Loma area, and some of the crew from the other boats went sight seeing.

July 7 we departed to Dana Point Harbor, for dining and to buy fuel. The next day we sailed to Catalina Island and picked up a mooring in the Hen Rock area. We had a pot luck dinner aboard *Sweet*, and the following morning said goodbye to our crew and the other boats who were returning to MDR. We sailed back to Ventura arriving with some daylight to spare.

The Weekend O.D. is the one to contact for any assistance with club host duties or any questions regarding opening or closing of the club.
